Biblical Answers To Questions About  
God, Life & Relationships

We value asking questions to better understand how to live life in a God-centered, Christ-exalting way. We believe that church should be the best place in which people can get solid answers to life's questions.

1. Do you believe that the Antichrist will come from within the church?
2. If a non-Christian asks us a question about morals should we or should we not answer with Scripture? I can see good reasoning from both sides but I am curious as to what the Pastors think. If each pastor could answer this question, I would appreciate it.
3. Should we give primary attention to the New Testament over the Old Testament? I just don't see how the Book of Numbers (or several OT books) applies to me today.
4. Do you think the passage about not being unequally yoked (2 Cor. 6:14) with a non-believer relates to a business venture? What does this mean exactly and how does it apply to me in the business world? Also, when exactly does this "yoking" occur?
