

We value asking questions to better understand how to live life in a God-centered, Christ-exalting way. We believe that church should be the best place in which people can get solid answers to life's questions.

1. What is the difference between an offering, tithe and "seed" offering?
2. A friend of mine said he can't believe in God because of the inconsistency because if God exists then who made God? He believes the concept of God was made up by people wanting power. What can I say to this objection?
3. Why don't we speak in tongues in church? I have a cousin who says this activity is evidence of a healthy church and yet we don't, and it seems like this church is healthy.
4. Is it possible that Judas trusted Christ before He dies and that his soul was saved?
