

The following exchange occurred on a talk-show between a male who produces pornography and a middle-aged housewife after she said his actions were sinful. The man replied: "Didn't Jesus tell His people to "Not Judge?!" "Why are you disobeying Jesus in judging me?" Tragically, the professing woman did not know how to respond and quickly took her seat with a puzzled look on her face. Today, you will discover not only what Jesus meant but how to respond to anyone who would seek to marginalize you in this way.
