

We value asking questions to better understand how to live life in a God-centered, Christ-exalting way. We believe that church should be the best place in which people can get solid answers to life's questions from God's Word.

1. If God opposes the proud, is it wrong to say that you are proud of someone? (e.g. your child, husband, etc.).

2. I have a friend who is experiencing times of deep depression as the Covid-19 stretches on. What are some ways that I can be both helpful and lead them to trusting Christ?

3. When the Bible speaks of not "quenching the Holy Spirit" in 1 Thess. 5:12, what does that mean and how do I know if I am doing it?
