

We value asking questions to better understand how to live life in a God-centered, Christ-exalting way. We believe that church should be the best place in which people can get solid answers to life's questions from God's Word.

1. Does God establish a specific design, purpose, and role for the government in His Word? If not, who established those things? If so, please elaborate on the biblical design, purpose, and role of the government.
2. What does the Bible say about education? Can we separate education and discipleship? If so, how? If not, how should we educate our children?
3. Does Critical Race Theory compromise the Gospel? If not, why? If so, how do we ensure that what is pure does not become impure or a combination of both?
